FLY FOR A DREAM: Alexander to Kosi Bay 2019: Request for sponsorship

To whom it may concern,

I am contacting you on behalf of Kobus Robbertze who will be embarking on an epic powered paragliding journey around the South African Coastline on behalf of the **Reach For A Dream Foundation**. The aim of this 2500km journey is to raise funds for The **Reach For A Dream** Foundation. The **Reach For A Dream** Foundation daily make the dreams come true of children fighting life-threatening illnesses and as the Bloemfontein branch we have around 182 dreams to fulfill this year.

Kobus and Joe will be paragliding around the South African Coastline from Alexander to Kosi Bay to create awareness for the needs of the **Reach For A Dream Foundation** but also to raise much needed funds that go towards the fulfilment of dreams. Every child's dream is different, some dream to be policemen, others just want a pink pony, some want to be able to contact their families at home with a cell phone and others dream of an entire wardrobe filled with Spiderman clothes. For more information on what we do you are welcome to visit our site www.reachforadream.org.za

Thank you in advance for your kind assistance, if you need any further information do not hesitate to contact me.

With thanks,

Sandra Basson
